## Gunn's Camp

*"Gunn's Camp- Deep in the Delta"*

### LOCATION & ACCESS:

Overlooking the legendary Chief's Island and bordering the Moremi Game Reserve, Gunn's Camp is one of the last few remaining luxury, vintage safari camps. Set under leafy palms and African Ebony to blend naturally with its unique surroundings, Gunn's Camp achieves a fine balance of comfort without isolating guests from the sights and sounds of the wilderness.

Your African experience starts with a twenty minute light aircraft transfer from Maun over the south-western Delta, taking in the magnificence of the winding, papyrus fringed channels that make up one of the worlds greatest wet land wonders. You will be able to see some of Africa's most celebrated animals from a bird's eye view –500 FT above the ground

On arrival at the private airstrip on Ntswi Island , deep in the delta, you will be met by welcoming hosts and shown to the Camp.

### ACCOMMODATION

The flagship accommodation offered at Gunn's Camp consists of six fully furnished, deluxe Kenya-style meru tents with en-suite bathrooms set on raised platforms overlooking the delta plains. The honeymoon suite is built into one of the ancient African Ebony trees and demands unsurpassable views of the meandering waterways. The island is connected to the main camp by a small causeway crossing the wetlands and magically lit by a series of fairylike lanterns. Guests have access to the elevated bar, lounge and dining room, campfire boma and swimming pool.

## ACTIVITIES

Our activities are mokoro excursions and guided game walks on Chief's Island which is part of the Moremi Game Reserve, and just across the Boro River that separates it from Ntswi Island. Two guests are allocated one guide who then transports them in his mokoro to different areas within of the game reserve where they commence their walk. Guides converse in English and point out not only big game, but also bird life and plant life. Guests can learn anything from plants and their medicinal uses, to birds and their calls. It is an amazing way to experience the Delta and many guests leave appreciating the smaller life as opposed to just the normal big five!
